

AN INVITATION TO ENTER THE 2024 JUNIOR TEAM GOLF (JTG) CHAMPIONSHIP

Clubs around England with Junior Sections are eligible to enter the JTG Championship in which players can play off a maximum WH Index of 20.4. Teams at each stage of the competition consist of six players competing in a single Strokeplay round with one scratch and four nett scores giving the final team score.

The winners from each Regional Qualifier progress to a regional Semi Final from which the winning team, plus possibly the best loser, will then compete in the England Final. This year it will be played at Crowborough Beacon GC on 27/28 October.

The cost of entry per team is £180 i.e. only £30 per player, with it being reduced to £150 if received prior to 30th August.

There have been changes to the rules for 2024 - for full details please see www.juniorteamgolf.co.uk

WHY NOT ENTER THIS SEASON AND GIVE YOUR JUNIOR TEAM A GREAT EXPERIENCE.

Entry Form should be attached - if missing - contact: David Last (see details opposite)

SEASON 2024

We offer Junior Teams an opportunity to play against each other at first class venues in the hunt to represent England in the Junior Team Golf Home Nations Championship Final.

The JTG competition is well established in England, 2024 being the 30th year in which it has been played. We are proud that as a Handicap Event we give young golfers, both boys and girls of a broad range of abilities, the chance to compete at a high level.

This year, in addition to the traditional Autumn qualifiers, we are introducing the staging of qualifying competitions during June / early July. This will increase the total number of events, inclusive of five England Regional Semi-Finals, to close to 40. The England National Final will be played over two days at Crowborough Beacon during the Autumn half term.
